

MANAGED CARE CARVE OUTS & APGS

Rate codes currently used for billing FFS Medicaid for MMC patients will remain active following implementation of APG reimbursement.

- When Medicaid Managed Care (MMC) carved-out services are provided to a MMC enrollee, existing MMC rate codes must be used.
- When MMC carved-out services are provided to FFS enrollee, the APG rate codes must be used.
- Examples of MMC carved out rate codes include:

2888, Comprehensive physical exam (SHP)

2889, Routine visit (SHP)
